When I was refused a police report on a local level, then reason because I was hacked on phone. The hacker threaten that they was raping my son inside of school and they had a creative way of giving photos to my son age 6 in the nurses office. I panicked my son came home with changes of clothes and had peeces in his underwear ~~one~~ time the bus took an hour to get to my house and the school is 15 minute walk from my house. I trusted the school and I went there and principal was out so I ended up talking to Mrs Gosh and when I told her the story and I told her they said they were raping my 6 yo son in nurse office

We were sitting in a small chair at a round table when I got home the hackers described how we were sitting and what we were talking about. So the next day I called the Superintendent's office and I made a anonymous report telling them to spy on the school and make sure this is not happening to my son. And 2 days later after my phone call they sent a social worker with ~~the~~ police in my home where they condemn my home. Apt which was a rental scam I fell into and they used it against me which I was honest about and then they accused me of ~~being~~ trying to kill a social worker w a gun and I was put in Cpep against my will with the story I tried to kill a social worker I felt they did this to discredit me they used my sons absences as an excuse but I went to doctor every time and had excused absences and times He was truly sick and after hack threats I took him out for a ~~couple of days~~ week which I got a doctor to excuse. They violated my right to report a crime. I deserved and my son deserved to be treated with respect in his school setting. ~~§ 377.1~~. If I felt as a mother that his school is not safe is it my right to keep my child safe at his home. They violated my rights according to the Crime Victims Act 18 USC § 3771. ~~I demand a~~ I would
